

Libraries provide education and entertainment

In a world of shrinking dollar values the library role is more important than ever.

The State Senate has proposed a 50% cut to libraries!

Write to your state legislator or senator today — protest the proposed 50% cut in state subsidy to public libraries. Also, POWER Library, AccessPA, and Interlibrary delivery could be seriously affected. For detailed, up-to-date information, check <http://palibraries.org>, click on state budget update.
